AskMom.net

For ca. 4 portions (12 pancakes) you need:

125 g flour
1 tsp baking soda
1 tsp syrup (maple sirup, sugar beet molasses or just take honey)
1 dash of salt
1 big egg
150 ml milk

butter or margarine for baking

Mix everything together and cover it. Then let it swell at a warm place for 1/2 hour. Melt the butter in the pan and bake 12 small, thick pancakes. Put some syrup on it and enjoy your meal!

You can also put some small butterpieces on the pancakes, eat them with fried bacon or mix blueberries, appelpieces or nuts into the dough.
